Niagara-on-the-Lake, Ontario (January 9, 2019)

Spas of America has released their Top 100 Spas of 2018 and from over 800 Spas in the association from all throughout the Americas, The Spa at White Oaks ranked #10 overall. More exciting however, is our Canadian rankings where The Spa at White Oaks has been ranked #2 in all of Canada and #1 in Ontario.

The Spa at White Oaks Resort has proven very popular with our targeted spa and wellness travel audience” says Spas of America president Craig Oliver. “With over 800 of the best resort, hotel and health spas on our website, The Spa at White Oaks is recognized as the #2 spa in Canada and the #1 Ontario spa experience,” says Oliver. “Whether you’re looking for a solo getaway, as a couple or with friends or family, Niagara’s The Spa at White Oaks is a perfect destination with a personalized spa, wellness and fitness experience.”

Ameer Wakil, Chief Executive Officer comments, “Achieving the number one position in Ontario is truly an honour, especially from such a prestigious organization such as Spas of America. We are fortunate to have a beautiful physical space, however of equal importance, we have the privilege of having a terrific leader, Jennifer Hipwell our Spa Director, along with her amazing, caring and compassionate team is truly what makes us number one in Ontario. We will never rest on our laurels, we will continue to improve and strive to maintain this position as our loyal customers only deserve the best.”

To be #1 in Ontario out of many amazing spas and resorts is truly humbling. Each year we try to improve, be better than we were previously, all while keeping consistency, innovation and passion in this ever evolving wellness industry. We never take our position and duty to service for granted as our loyal customers are really what it’s all about. That, and the amazing team here at White Oaks.
