The Spa at White Oaks Named Top Spa in Niagara

Niagara-on-the-Lake, Ontario (January 20, 2016)

Spas of America has released their Top 100 Spas of 2015 and from over 500 Spas in the association from all throughout the Americas, The Spa at White Oaks ranked #7 overall. More exciting is the Canadian rankings of #1 Spa in Niagara, #2 in all of Ontario and #3 in all of Canada.

Spa Director, Jennifer Hipwell states, "We are thrilled to see such great results and it definitely matches up with what we are hearing from our guests. They are loving the new treatment options and skin care lines that have been developed and made available exclusively to our spa. We do our best to stay on top of new developments in the industry and bring those offerings to our guests." According to Hipwell, "We are using color therapy with the Max LED facial, oxygen therapy with our oxygen facial and of course, silk peel dermalabrasion technology. In the next year we plan to launch our new online booking tool to make it even easier for our guests to make their reservations.

"The Spa at White Oaks Resort has been very popular with our targeted spa and wellness travel audience" says Spas of America president Craig Oliver. "From over 500 resort, hotel and health spas on our website, The Spa at White Oaks was #7 in North America and the #1 Wine Experience Spa in Ontario." Says Oliver, "For guests seeking a true fitness and racquet club destination in the heart of Niagara's popular wine region, the Spa at White Oaks is an ideal getaway destination with wonderful accommodations, exciting dining options, and a friendly, professional staff."
