WHITE OAKS

ABOUT THE PROGRAM

Racquetball is a high intensity game which is played by enthusiasts from ages 6–80 years old. The game is played in a room where the walls, ceiling and floor are in play.

All children with an interest in racquetball are welcome. In this introductory level, children will develop motor skills, learn the basic racquetball strokes and serves, incorporate movement skills specific to the sport and play modified games all with an emphasis on fun!

- Co-ed program for players 6–18 years old
 - Monday nights from 5:30–6:30pm
 - Focus on skill development and learning the fundamentals of racquetball
 - Coaches will teach ball striking skills as well as strokes and serves specific to racquetball
 - Players will play modified games
-
